## PN End of Program Student Learning Outcomes

### 1. Teamwork and communication:

Participate as a member of the interdisciplinary health care team through effective communication in the delivery and management of client care.

### 2. Professionalism and leadership:

Incorporate professional standards and scope of practice as a certificate practical nurse while pursuing professional growth within legal, ethical, and regulatory frameworks.

### 3. Client-centered care:

Provide culturally competent care for clients while promoting their self-determination and integrity.

### 4. Evidence-based practice and nursing judgment

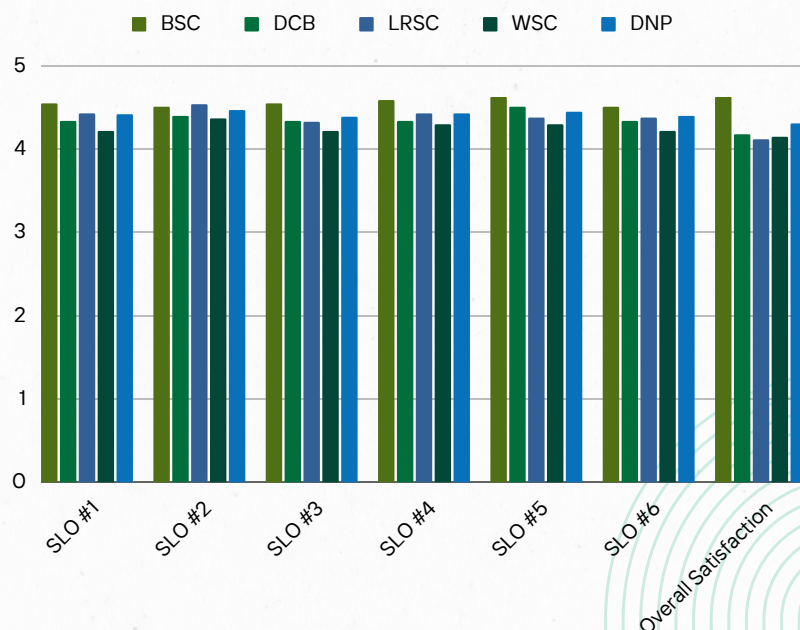

Utilize the nursing process, science, and clinical reasoning to provide quality evidence-based client care.

### 5. Quality improvement and safety:

Employ evidence-based decision-making to deliver safe and effective client care and to evaluate client outcomes.

### 6. Informatics:

Utilize appropriate technology to communicate effectively and manage information in the delivery of client care.
