

# Minnesota State University Moorhead's RN to BSN program warmly invites applicants!

MSUM is now accepting applications for RN-BSN program starts for Summer 2024, Fall 2024 and Spring 2025 semesters. Please explore our [program admissions website](#).

## Why choose MSU Moorhead's RN-BSN program?

- **Totally Online:** It is 100% online, which offers a high-quality education with flexibility.
- **Efficient Path:** Smart advising guides you on the most efficient path to your BSN! Only 120 credits, 10 general education goal areas, and 40 credits of upper division course study are required, PLUS generous transfer credit acceptance from your previous program.
- **Affordable:** At a state tuition rate, your degree at MSUM is a value beyond any in the region.
- **Individualized:** Each student works at their own unique, flexible pace. Some students study one course/term and others go full-time - it is your decision!
- **Real Experiences:** Project-based learning experiences in your community, offering many self-managed elements in collaboration with expert faculty and clinicians.
- **NEW Accelerated RN-MSN:** Strategic advising promotes efficient, cost-saving completion of both undergraduate BSN and graduate MSN degrees.

Click [here](#) for the MSUM application information. After completing the university application and offered admission, you will be sent a link to apply to the RN-BSN program. Nursing Program applications are reviewed on a monthly basis until semesters are filled. Complete your application today to ensure you will start the semester that works best for you!
